Interview with the Author

Q - What makes the *Janus Group* series special?

A - Growing up, I loved books like *Ender's Game* and the Tom Clancy *Jack Ryan* series. When I sat down to write the *Janus Group* books, I wanted to capture what I liked best about those books - sci fi thrillers or action thrillers in a fast-paced style. The series is best characterized as cyberpunk science fiction thrillers, with a little detective and police procedural elements thrown in to boot. Finally, I like my characters to be relatable, and facing overwhelming odds - the plot is action-packed, and keeps you guessing. Beware: plot twists ahead!

Q - What order should I read the books in?

A - *Last Pursuit* is a short story set in the Janus Group world - it's the prequel, and the story that inspired me to write a full series. You can read that first (for free), then Books 1-3 (*Rath's Deception*, *Rath's Gambit*, and *Rath's Reckoning*) in order from there. Books 1-3 are a complete story arc - Book 3 resolves everything from Books 1 and 2.

Q - Why should readers give these books a try?

A - Because the Janus Group books are fast, inventive, page-turners that kick ass and take names! They've been described as "Jason Bourne" meets "Bladerunner." Any fans of hitman books, science fiction assassin tales, or cyberpunk thrillers will enjoy them.

Q - Can readers get the whole series in one bundle?

A - Not yet - sorry, just haven't had a chance to get around to it! But sign up for my newsletter at <http://piersplatt.com/newsletter> (copy and paste into your browser), or follow me on my author page here at Amazon to find out when I do release a bundle.

Thanks for reading!
