## **Sibling Loss: A Sister's Journey From Despair to Celebration** Laura Prince

This is a first-person account of one of the most devastating and least talked about subjects: a child or young person's loss of a sibling. Laura Prince shares her decades-long process of healing that is, as she claims, a lifelong struggle. This is, however, a book that brings hope. The author both shares her story and her many insights into the web of grief that surrounds such a loss. Recovering from the sudden death of her beloved brother over the course of many years, Prince openly and candidly examines the pitfalls and surprising triumphs of grieving. She offers readers a window into her world and allows us to share in her sadness—and in the eventual celebration of her brother as she slowly works her way into a place of quiet joy and gratitude.
