Is the time ripe for you to embark on a mystical quest into the deepest depths within your soul? Are you ready for the journey of self realisation and the process of unravelling the knot that is your conditioned mind? Do you wish to acquire the virtues of faith, trust, surrender, patience and humility in your life? Do you want to know what it really means to be of service to humanity in this world? If the answer is yes, then come with me and I will help lead you to the Kingdom within. In this tale I draw upon a rich tapestry of language and metaphor that can be found within the quirky and ancient game of golf; and I use it here as a helpful pointer that can direct you all the way home. To gain from this book it is not important for you to understand or play the sport and I am no golfing expert who is trying to improve your game. My attention is focused instead on the precious jewels of wisdom that lie beyond and beneath the form. My attention is on the Kingdom of Golf that lies within.
