The Riding Horse Repair Manual: Not the Horse You Want? Create Him from What You Have Doug Payne

Contending that nearly all horse behavior problems result from incorrect or inconsistent training, this work highlights the potential behind the world's promising equine model citizens and partners. The guide emphasizes systematic reconditioning while encouraging patience and proper skills in riders, providing a comprehensive plan for addressing issues such as bucking, bolting, rearing, spooking, lack of confidence, jumping issues, and more. Featuring a clear, accessible outline, this is the definitive solution to implementing consistent training methods, allowing riders to take full advantage of their horses' unrealized abilities. Suggestions for starting young horses, detailed case studies, and strategies for future success are also included.
