TROUBLE MAKER

He walked over to the dinner table where he had enjoyed the sandwich earlier that day and rapped it hard with his fist.

“Come over here” he ordered.

My stomach turned cold and I froze.

“Come here this instant young lady, and I mean march!”

My heart pounded in my ears as I meekly walked over to the table, avoiding eye contact. I knew my stepfather was going to punish me again, and I deserved it.

“Bend over!” He ordered sternly.

Hailey is a rebel who has a deep compulsion to get in trouble. She never understood why until her stepfather uses heavy handed discipline and spanks her as an adult. This triggers the memory that the first time she touched herself was after being spanked by him as a child - and she realizes why she became such a troublemaker. She decides to get in more trouble to see where it will lead, with shocking results. Hard, and without protection.
