## New Catholic Encyclopedia

Since 1967, the New Catholic Encyclopedia (NCE) has been a standard reference guide for the general public, especially readers who have a special interest in Roman Catholic history, teachings, and practice. Prized for its scholarly presentation of persons and subjects related to Catholicism and the humanities, the NCE is now being revised. The new edition will include new and revised articles and biographies, updated bibliographical citations, and fresh photos, maps, and illustrations. The revised edition, prepared in collaboration with The Catholic University of America Press under the editorial direction of Berard L. Marthaler, OFMConv., will be published by the Gale Group, Farmington Hills, Michigan.
