The Fox Diaries: The Year the Foxes Came to our Garden Valarie Budayr

Experience the magical story of a family of foxes that took up residence right in the front yard of the author and publisher, Valarie Budayr. *The Fox Diaries* offers an enthusiastically educational opportunity to observe this fox family grow and learn together. From digging and hunting to playing and resting, this diary shares a rare glimpse into the private lives of Momma Rennie and her babies. Come watch as they navigate this wildly dangerous but still wonderful world. Great to share with your children or students, *The Fox Diaries* speaks to the importance of growing and learning both individually and as a family unit. It is a perfect book for story time or family sharing. Not only can you read about the daily rituals of this marvelous fox family, there is an information-packed resource section at the end of the book that includes lots of facts and even a few "fox movies" that you can enjoy with your family.
