In a world poised for epic change...anything can happen

Disowned for marrying beneath her, Eve Kendal has returned to England destitute after her husband's death and the mysterious disappearance of their savings. She's looking for survival, not romance. But from London to the Yorkshire countryside to the elegant estate of Thornbrook Park, Eve's path seems destined to cross that of the dashing but violent Captain Marcus Thorne.

For Marcus, a return home means facing the demons that drove him to war in the first place. As he and Eve begin a steamy affair, tensions that had been simmering just beneath the surface threaten to explode and shake the very foundations of Thornbrook Park.
