Perros e hijos de perra (Spanish Edition)

Arturo Pérez-Reverte

Perros e hijos de perra (Spanish Edition) Arturo Pérez-Reverte

Spanish description

«He tenido cinco perros. No hay compañía más silenciosa y grata. No hay lealtad tan conmovedora como la de sus ojos atentos, sus lengüetazos y su trufa próxima y húmeda. Nada tan asombroso como la extrema perspicacia de un perro inteligente. No existe mejor alivio para la melancolía y la soledad que su compañía fiel, la seguridad de que moriría por ti, sacrificándose por una caricia o una palabra.»

Perros de presa adiestrados por gente sin escrúpulos, un chuchó mejicano tuerto y digno, el fila brasileño que no era un asesino, Jemmy y Boxer, que cruzaron el Valle de la Muerte con la Brigada Ligera, el perro flaco y bastardo de la batalla de Rocroi, o Sherlock, el teckel de pelo fuerte y sólidos silencios, son algunos de los protagonistas en los artículos escritos por Arturo Pérez-Reverte entre 1993 y 2014 que se recogen en esta antología, ilustrada por el pintor Augusto Ferrer-Dalmau.

English Description

“I have had five dogs. There is no company more silent and pleasing. There is no loyalty as moving as that of their attentive eyes, their licks, and their close wet noses. Nothing as amazing as the extreme wisdom of an intelligent dog. There is no greater remedy for melancholy and loneliness than their faithful company, the certainty that they would die for you, sacrificing themselves for a caress or a kind word.”

Perros de Presa trained by unscrupulous people; a one-eyed yet dignified mutt; the Brazilian mastiff that wasn't a killer; Jemmy and Boxer, who crossed Death Valley with the Light Brigade; the skinny bastard dog of the Battle of Rocroi; or Sherlock, the quiet wire-haired dachshund: these are some of the protagonists in the articles written by Arturo Pérez-Reverte between 1993 and 2014 that are compiled in this anthology, illustrated by the painter Augusto Ferrer-Dalmau.
