Around every corner, they are waiting. In every dark alley, they are lurking. Behind every door, they are hiding. For each survivor of the Upheaval, every day brings the same grim reality: the dead are coming. For every community that managed to survive, for every band that came together, questions nag their minds. Are they alone? Are they the last ones left? Does humanity die with them?

As the dead roam the abandoned highways and walk among the ruins of the living, one group will make a stand to halt the tide and take it back.
