This book recounts the true story of J.I. Overholtzer, "the modern weeping prophet", who at 60 years old started the ministry of Child Evangelism Fellowship (CEF). He "dreamed of an army of evangelists circling the globe" at a time when no one thought it was possible. Although he lacked many of the gifts and abilities usually required by great leaders, he had great faith in his great God and a great burden that boys and girls in every nation around the world would come to know the Lord Jesus Christ as their personal Savior. By the time "Mr. O" passed away in 1955, CEF was already established in over 50 nations. Today, that count exceeds 175. This special edition of the book is the first update since it was originally written in 1970 and provides six new chapters on Mr. Overholtzer's legacy. It is inspiring to read how God used a humble ordinary man to spread the love and truth of Christ around the world and to see the influence his life of faith still has on the ministry of CEF 75 years later.
