James Joyce

A Portrait of the Artist as a Young Man (Penguin Great Books of the 20th Century) James Joyce

James Joyce's first and most widely read novel, *A Portrait of the Artist as a Young Man* is the story of Stephen Dedalus, a young man struggling to decide between a religious vocation and an artistic one. The aftermath of the struggle that is so poignantly and unflinchingly recorded forms a large part of the story of Joyce's masterwork, *Ulysses*, in which Stephen reappears as a main character.
