From Outer Space To You Howard Menger

New Saucerian is proud to offer the original version of Howard Menger's "From Outer Space To You," which sent the UFO field into a tizzy after it was first published by Gray Barker in 1959.

For years, Menger and his attractive wife, Connie, spread the word about their personal encounters with the Space Brothers, and their flights aboard the flying saucers, while the "suits" and "scientific ufologists" scraped their nails on chalkboards in anguish.

In the end, the Mengers claimed that the CIA had put them up to the whole thing, making it a must-read for today's conspiracy-minded saucer enthusiast.

Features the excellent cover painting by Calvin Girvin (another UFO contactee, and author of "The Night of a Thousand Saucers"), which graced the original dust jacket.
