Matthew: An Introduction and Commentary (Tyndale New Testament Commentaries)

R. T. France

Matthew: An Introduction and Commentary (Tyndale New Testament Commentaries) R. T. France

The visit of the Magi, the Sermon on the Mount, the Great Commission: these are only a few of the well-known passages in Matthew's Gospel. Yet it begins with a list of unknown names and apparently irrelevant 'begettings'. The early church may have placed Matthew first in the New Testament because it provides a Christian perspective on the relation between the church and the Jews, an issue that is still important today. R. T. France tackles this and other key issues in the Gospel with clarity, reliability and relevance. The original, unrevised text of this volume has been completely retypeset and printed in a larger, more attractive format with the new cover design for the series. The Tyndale New Testament commentaries are designed to help the reader of the Bible understand what the text says and what it means. The *Introduction* to each book gives a concise but thorough treatment of its authorship, date, original setting and purpose. Following a structural *Analysis*, the *Commentary* takes the book section by section, drawing out its main themes, and also comments on individual verses and problems of interpretation. *Additional Notes* provide fuller discussion of particular difficulties. The goal throughout is to explain the true meaning of the Bible and make its message plain.
