After spending an entire weekend getting to know the woman of his dreams, Ryder Matthews is more certain than ever that he made the right choice in following Everleigh Stone to her hometown. However, after being called away by his record label to record the rest of Bad Blooded Rebel's new album, Ryder is angry and feels guilty for leaving Everleigh alone as her father Max is on the brink of death. All he wants to do is hold her and make it all go away, even if she didn't want him to witness it. Everleigh didn't know it was possible to fall for someone so fast until famous rocker Ryder Matthews showed up in her hometown asking for a chance. Despite the walls she'd built around her heart, he'd managed to tear them down brick by brick. She managed to find happiness in her life despite the fact that her beloved father was quickly losing his battle with cancer. Having lost his own father to the disease, Ryder seemed to be in the right place at the right time. After a desperate phone call, Ryder is back at Everleigh's door step, ready to help her face one of the hardest things she will ever endure. As they both begin to lean on each other more and more, will they keep fighting their feelings or will they give into the inevitable?
