If both you and your brother precede your father in death, heir less, this world and many others stand on the brink of doom, for there is nothing that can stand against the army of a Dragon King."- Queen Tamilla. If you enjoy lots of action, plenty of intrigue, and a complex, twisted plot, then you may find this book to be a lot of fun. Wizards, dragons, warriors and spies. Clean language and nothing explicit apart from the violence which is not too graphic.
