My Story of Hope and Overcoming -- And this could be your story, too. Dale Goodman

I have always wanted to share my story of hope and overcoming. It is a story about my broken childhood and overcoming. This is my story of hope, faith, love and healing. It's a true story. This book will encourage you to never give up, to give life more time for healing and to help you find a greater purpose for your life.

This story is dedicated to Jesus Christ. Without Him, I would have ended my life in my twenties. Nothing made sense by the time I reached twenty five. I tried so many ways to find happiness, peace and purpose. Nothing lasted. The deep wounds of my broken childhood lurked deeply within my soul.

I discovered a love I never had before. It was an authentic love for my dry and weary soul. The wounds of my soul have finally healed. It's not been easy, but it's so worth the journey.

It's never too late for change. Nothing is impossible with God. Please read and share with others about my life of hope and overcoming. And, it can be your story too!

So grateful to be thriving,
Dr. Dale Goodman, PhD
