**The Aubin Academy Master Series: Revit Architecture 2012** Paul F. Aubin

THE AUBIN ACADEMY MASTER SERIES: REVIT ARCHITECTURE 2012 combines a straightforward, reader-friendly style with project-focused exercises that encourage learning by doing. Gain practical, firsthand experience with the powerful, popular Revit Building Information Modeling (BIM) software, which leading architects and engineers are using to move beyond traditional Computer-Assisted Design (CAD) to manage complex projects, foster collaboration, and boost productivity. This practical guide takes you through the process of building design development models and creating a complete set of construction documents for architectural production. By focusing on the rationale and practicality of the Revit Architecture process, the book helps you learn faster and get a clear sense of the software's capabilities and each tool's potential. Author Paul F. Aubin, an architecture professional for over 20 years and a respected Autodesk expert, also draws on his real-world experience to provide detailed instruction and practical tips, both within the book and in Online Quick Start Videos designed to reinforce learning.
