The Belief Quadrants- Revised edition May 2015: Four Belief Systems that Create Your Reality Jose Matos

Throughout the world more People are struggling with fear, anxiety, depression and addiction, because we have been crippled by a form of spiritual atrophy. This spiritual atrophy has weakened our understanding of the potential that lies within each one of us. Much like the physical body, when a muscle atrophies, it begins to affect the entire body. Even more so, when we allow our spirit to atrophy, it affects our entire lives.

The Belief Quadrants is about bringing people to the conscious understanding of who they are spiritually. When we learn to understand that we have a God given ability to create the life we truly desire, life suddenly is filled with possibilities

The Belief Quadrants is about raising our conscious understanding that our beliefs and thoughts create our lives. In this book we will also explore the science of how our Beliefs and thoughts are the most significant factor that influence our reality. The more we realize that we are filled with unlimited potential, the more we can begin to manifest a life of abundance and happiness we all seek.
