The Russo-Turkish War, 1877: A Strategical Sketch (Classic Reprint) Frederick Maurice

Excerpt from The Russo-Turkish War, 1877: A Strategical Sketch

This small volume has no pretensions to be a history of the Russo-Turkish War of 1877-8. It deals merely with the strategy and major tactics of the decisive portion of the campaign in Europe. The majority of the English accounts of the campaign appeared shortly after the conclusion of the war, and were based upon the reports of newspaper correspondents, the narratives of eye-witnesses, and the despatches of the various Russian Generals. Since then, the Russian official history has been published an excellent account of the operations of Osman Pasha's army has appeared from the pens of Mouzaffer Pasha and Talaat Bey; General Kuropatkin has written a detailed account of operations in which he took part, and a mass of other literature bearing on the campaign has seen the light in both France and Germany. The moment appears, therefore, to be opportune for the publication of an account in English. I hope I have shewn that the lessons of the war are not unimportant. The work will have fulfilled its purpose if it directs attention to a portion of Europe which is still of the greatest political interest.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. From reader reviews:

Lois Hernandez:

Book is definitely written, printed, or illustrated for everything. You can know everything you want by a e-book. Book has a different type. As it is known to us that book is important thing to bring us around the world. Next to that you can your reading talent was fluently. A guide The Russo-Turkish War, 1877: A Strategical Sketch (Classic Reprint) will make you to become smarter. You can feel much more confidence if you can know about every thing. But some of you think that open or reading a new book make you bored. It is not necessarily make you fun. Why they can be thought like that? Have you seeking best book or ideal book with you?

Kelli Smith:

Reading a e-book can be one of a lot of activity that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people love it. First reading a publication will give you a lot of new data. When you read a book you will get new information due to the fact book is one of numerous ways to share the information or their idea. Second, reading a book will make you actually more imaginative. When you reading through a book especially hype book the author will bring one to imagine the story how the people do it anything. Third, you could share your knowledge to some others. When you read this The Russo-Turkish War, 1877: A Strategical Sketch (Classic Reprint), it is possible to tells your family, friends along with soon about yours book. Your knowledge can inspire the others, make them reading a book.

Cindy Coleman:

Is it you actually who having spare time and then spend it whole day through watching television programs or just lying down on the bed? Do you need something new? This The Russo-Turkish War, 1877: A Strategical Sketch (Classic Reprint) can be the solution, oh how comes? A book you know. You are so out of date, spending your spare time by reading in this fresh era is common not a geek activity. So what these textbooks have than the others?

Mary Barnett:

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just tiny students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Russo-Turkish War, 1877: A Strategical Sketch (Classic Reprint) can make you sense more interested to read.
