The Sword Of Moses Conjunction Geoffrey Harris

There have been a few versions of the sword of moses with various authors Gaster version being the most famous. All have one thing in common the words in the sword of moses the conjunction of the sword are encoded and unreadable which in my belief renders it useless as a workable system. So in this book I have replaced theses words of power with a readable format which are as equal if not more effective than the original. I hope you enjoy this version of the Conjunction of the Sword of Moses.
