An Invitation to Social Research: How It's Done

Emily Stier Adler, Roger Clark

An Invitation to Social Research: How It's Done Emily Stier Adler, Roger Clark

This book provides balanced coverage of quantitative and qualitative methods of social research with a unique "behind the scenes" approach: Chapters are built on focal research pieces and excerpts from real research projects, and they present the insights and perspectives of workers conducting real-world research. The book guides readers through the many stages of social research--from selecting a researchable question and designing a study to selecting the best method of data analysis for a particular study--and prepares them for the ethical issues and problems that they may face along the way.
