108 pages. One of the earliest pattern books from the Lion brand company that I have ever seen, this book contains an excellent assortment of patterns for the entire family. The beginning of the book contains a section of very handy and well illustrated instructions on how to do the stitches used in the book. There are many beautiful afghans and blankets for a baby as well as several sacques and kimonos to keep your wee little one warm. Also there are several sweaters for a child, a baby's cape with hood, several infant's bonnets, leggings, mittens and booties. For women this book contains a lovely pattern for a bath robe, an evening coat, an opera cape, the cabled Maynard sweater, lady's high neck sweater, a crocheted jacket, a knitted jacket, several scarfs and shawls, a fascinator, an evening mitten, and much more. For men there are sweaters, waistcoats, several designs for golf stockings - including fancy topper for men's stockings, socks, gloves, and knee-caps. There are also several pages of patterns for afghans, in many unique designs. This is a 100-year-old treasure trove of lovely patterns! REPRODUCTION
