## Long Gone Alafair Burke

“*Long Gone* is a tremendous novel, and Alafair Burke is one of the finest young crime writers working today.”

--Dennis Lehane, author of *Moonlight Mile*

Echoing the intensity of Harlan Coben’s *Tell No One* and the psychological depth of Laura Lippman’s *What the Dead Know*, Alafair Burke’s first stand-alone novel catapults her into the top ranks of modern suspense. In New York City’s cut-throat world of art, appearances can be deceiving—especially when art world newcomer Alice Humphrey becomes a suspect in a gruesome murder at a Chelsea gallery, and is thrown into a treacherous labyrinth of intrigue, crime, and conspiracy. Now, Alice must discover the truth behind the murder before the unsolved mystery claims her as its next victim.
