In an explosive thriller for readers of Lee Child, Alex Berenson, and Brad Taylor, P.I. and security specialist Jamie Sinclair finds herself caught in a dangerous game of international cat-and-mouse.

Jamie Sinclair's father has never asked her for a favor in her life. The former two-star general turned senator is more in the habit of giving his only child orders. So when he requests Jamie's expertise as a security specialist, she can't refuse—even though it means slamming the brakes on her burgeoning relationship with military police officer Adam Barrett. Just like that, Jamie hops aboard a flight to London with a U.S. State Department courier carrying a diplomatic pouch in an iron grip.

Jamie doesn't have to wait long to put her unique skills to good use. When she and the courier are jumped by goons outside the Heathrow terminal, Jamie fights them off—but the incident puts her on high alert. Someone's willing to kill for the contents of the bag. Then a would-be assassin opens fire in crowded Covent Garden, and Jamie is stunned to spot a familiar face: Adam Barrett, who saves her life with a single shot and calmly slips away. Jamie's head—and her heart—tell her that something is very wrong. But she's come way too far to turn back now.

Praise for *The Kill Shot*

“The adventure begins without delay and with tight writing to keep up the momentum. . . . Thanks to Christoff's labyrinth-style of intrigue and mystery, the enjoyment is in trying to solve the puzzle. Good luck, because in *The Kill Shot*, Christoff doesn't make the adventure a cake walk. She understands how to keep her readers riveted from beginning to end.”—*USA Today*
