# The Territories of the People's Republic of China

Chun Lin, Hans Hendrischke

**The Territories of the People's Republic of China** Chun Lin, Hans Hendrischke

**A complete guide to the People's Republic of China.**

This indispensable survey contains over 250 pages of well-researched, up-to-date, impartial data on the economy, geography and political situation to provide a complete picture of the area.

**An introductory section contains invaluable background material on the country as a whole, including:**

- \* detailed essays on *Economic Regionalism in the People's Republic of China* and *Governing China: Unity, Control, Decentralization and Global Integration*
- \* a chronology of the country, from the period of the Zhou dynasty to the official campaign to impose stricter controls on the internet
- \* statistics of major demographic and economic indicators
- \* details of the national government.

**Individual chapters on each of the provinces, autonomous regions and municipalities include:**

- \* a map of the area, with geographical and historical information
- \* an economic survey presenting the latest available statistics on gross regional product, transport, agriculture, mining, industry, trade, foreign investment and employment
- \* a directory of the names and addresses of leading administrative and political officials.

The book has a full index, which includes a listing of alternative names for regions and capital cities.
