This latest edition of Moffat's Trusts Law has been fully revised and updated to cover recent statutory developments and explores the impact of a wealth of new cases including the Supreme Court decisions in *Pitt v. Holt* (2013), *FHR European Ventures v. Cedar Capital Partners* (2014) and *Williams v. Central Bank of Nigeria* (2014). It has been restructured to incorporate a new chapter on the internationalisation of the trust which provides an understanding of the new directions being taken in the areas of trust law and equitable remedies. Supplementary material includes an online chapter on occupational pension schemes. With suggestions for further reading guiding the student to contemporary debates, this leading textbook retains its hallmark combination of a contextualized approach and a commercial focus, and remains the serious student's textbook of choice.
