Arithmetic of L-Functions (IAS / Park City Mathematics)

Cristian Popescu, Karl Rubin

Arithmetic of L-Functions (IAS / Park City Mathematics) Cristian Popescu, Karl Rubin

The overall theme of the 2009 IAS/PCMI Graduate Summer School was connections between special values of L -functions and arithmetic, especially the Birch and Swinnerton-Dyer Conjecture and Stark's Conjecture. These conjectures are introduced and discussed in depth, and progress made over the last 30 years is described. This volume contains the written versions of the graduate courses delivered at the summer school. It would be a suitable text for advanced graduate topics courses on the Birch and Swinnerton-Dyer Conjecture and/or Stark's Conjecture. The book will also serve as a reference volume for experts in the field. Titles in this series are co-published with the Institute for Advanced Study/Park City Mathematics Institute. Members of the Mathematical Association of America (MAA) and the National Council of Teachers of Mathematics (NCTM) receive a 20% discount from list price.

From reader reviews:

Craig Baker:

This Arithmetic of L-Functions (IAS / Park City Mathematics) book is not really ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is usually information inside this book incredible fresh, you will get info which is getting deeper you actually read a lot of information you will get. This particular Arithmetic of L-Functions (IAS / Park City Mathematics) without we realize teach the one who reading it become critical in contemplating and analyzing. Don't end up being worry Arithmetic of L-Functions (IAS / Park City Mathematics) can bring whenever you are and not make your handbag space or bookshelves' become full because you can have it with your lovely laptop even cellphone. This Arithmetic of L-Functions (IAS / Park City Mathematics) having great arrangement in word along with layout, so you will not experience uninterested in reading.

Roger Everman:

Now a day individuals who Living in the era where everything reachable by connect with the internet and the resources inside it can be true or not require people to be aware of each facts they get. How people have to be smart in acquiring any information nowadays? Of course the answer then is reading a book. Reading through a book can help men and women out of this uncertainty Information specially this Arithmetic of L-Functions (IAS / Park City Mathematics) book because book offers you rich details and knowledge. Of course the data in this book hundred % guarantees there is no doubt in it you know.

Victor Brown:

The book untitled Arithmetic of L-Functions (IAS / Park City Mathematics) contain a lot of information on that. The writer explains the woman idea with easy way. The language is very clear to see all the people, so do definitely not worry, you can easy to read this. The book was compiled by famous author. The author will take you in the new era of literary works. You can actually read this book because you can please read on your smart phone, or device, so you can read the book inside anywhere and anytime. In a situation you wish to purchase the e-book, you can wide open their official web-site in addition to order it. Have a nice study.

Donna Graham:

Do you like reading a guide? Confuse to looking for your favorite book? Or your book had been rare? Why so many concern for the book? But just about any people feel that they enjoy regarding reading. Some people likes studying, not only science book but in addition novel and Arithmetic of L-Functions (IAS / Park City Mathematics) or perhaps others sources were given knowledge for you. After you know how the fantastic a book, you feel want to read more and more. Science guide was created for teacher or students especially. Those publications are helping them to put their knowledge. In different case, beside science e-book, any other book likes Arithmetic of L-Functions (IAS / Park City Mathematics) to make your spare time more colorful. Many types of book like this one.
