For vengeance or possession? Men like Marc Castellano don't forgive – they get revenge! Five years ago Ava McGuire left Marc, and then married his business rival in a high-profile scandal. But no one knows that the fragile widow was forced to say “I do”. Now she is left with nothing but crippling debts and another scandalous proposition! Marc is going to have Ava right where he wants her—not with a ring on her finger, not even in the palm of his hand, but in his bed for as long as he desires!
