Escape From Kathmandu

Kim Stanley Robinson

Escape From Kathmandu Kim Stanley Robinson

Living in the city of Kathmandu in the Kingdom of Nepal are dozens of American and British expatriates who are in love with the Himalayas. George Fergusson is one of them--he works as a trek guide for "Take You Higher, Ltd.", leading groups of tourists into the back country and occasionally assisting on serious climbs. George "Fred's" Fredericks is another--a tall, easy-going American who converted to Buddhism while in college. He visited Nepal one year and never went home.

The adventures started when George and Freds got together over the capture of a Yeti--an abominable snowman--by a scientific expedition. The thought of such a wild and mysterious creature in captivity--in prison--was too much for them to bear. And in freeing the Yeti, a great partnership was born. George and Freds will go on to greater heights as they explore the mysteries of Nepal, from Shangri-La to Kathmandu's governmental bureaucracy, in *Escape from Kathmandu* by Kim Stanley Robinson.
