Just Ella

Annette K. Larsen

Just Ella Annette K. Larsen

I watched in helpless horror as two guards hauled Gavin to his feet and dragged him from the room. My voice was frozen, unable to protest as another guard took hold of my arm, leading me upstairs. From the confines of my room, I stared into the darkness beyond my window, hoping to catch one more glimpse of Gavin. He was gone, and I wondered if he would have been better off if he had never met me.

Ariella was only looking for a distraction, something to break up the monotony of palace life. What she found was a young man willing to overlook her title and show her a new and vibrant way of life. But when her growing feelings for Gavin spiral out of control and clash with the expectations of her station, she will discover that the consequences of her curiosity are far more severe than she'd imagined.

From reader reviews:

Anthony McDonell:

Book is to be different for each grade. Book for children until eventually adult are different content. To be sure that book is very important for all of us. The book Just Ella ended up being making you to know about other information and of course you can take more information. It is rather advantages for you. The book Just Ella is not only giving you more new information but also to be your friend when you sense bored. You can spend your spend time to read your e-book. Try to make relationship using the book Just Ella. You never feel lose out for everything in the event you read some books.

Lee Erbe:

As people who live in the particular modest era should be change about what going on or details even knowledge to make these individuals keep up with the era that is always change and move forward. Some of you maybe will probably update themselves by reading through books. It is a good choice to suit your needs but the problems coming to anyone is you don't know what one you should start with. This Just Ella is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

Theodore Mullis:

Nowadays reading books be than want or need but also become a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge your information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of e-book you read, if you want drive more knowledge just go with education books but if you want sense happy read one along with theme for entertaining like comic or novel. The particular Just Ella is kind of guide which is giving the reader unstable experience.

Kevin Pennell:

Reading a reserve can be one of a lot of exercise that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a reserve will give you a lot of new facts. When you read a publication you will get new information since book is one of several ways to share the information as well as their idea. Second, reading through a book will make you more imaginative. When you reading through a book especially tale fantasy book the author will bring that you imagine the story how the character types do it anything. Third, you are able to share your knowledge to others. When you read this Just Ella, you can tells your family, friends in addition to soon about yours e-book. Your knowledge can inspire average, make them reading a book.
