**Developing Academic Language with the SIOP Model (SIOP Series)** Deborah J. Short, Jana J. Echevarria  
In *Developing Academic Language with the SIOP® Model*, teachers and teacher candidates get an informative look at how to use the highly effective SIOP Model to design effective lessons that meet high standards, while scaffolding content information and promoting language skills and development for *all* students—English learners and native English speakers alike—in today’s age of the Common Core and other state standards. The focus is on ways to develop and advance English learners’ proficiency in academic English across all grades and all subjects so they are able to access and acquire information related to academic topics; communicate and produce information in academic contexts; and create and extend knowledge through linguistic, conceptual, and sociocultural choices. The book is packed with practical guidelines, activities, techniques, and sample lessons.
