Does God Exist?: The Question You Can't Ignore William Lane Craig

If God doesn't exist ...then what? The thought is both staggering and threatening. If what atheism and much of the media embraces is true, then life has no real meaning, value, or purpose. Without God, one day we all will simply cease to exist.

Acclaimed apologist William Lane Craig knows the battle for hearts and minds begins in our homes, schools and communities. This pocket-sized guide will help you articulate and defend your faith confidently—not just proving God's existence, but showing why it matters more than anything else in life or history.
