Handbook of Emerging Economies (Routledge International Handbooks)

Handbook of Emerging Economies (Routledge International Handbooks)

A major new volume in the Routledge International Handbooks series analysing emerging and newly emerged economies, including the BRICS countries (Brazil, Russia, India, China and South Africa) and other likely (Turkey, Indonesia, Mexico, and South Korea) as well as possible (Vietnam, The Philippines, Nigeria, Pakistan, Egypt, Colombia and Argentina) candidates for emerging economy status. Chapters on theories surrounding emerging markets (including the Beijing/Washington Consensus debate) offer an overview of current issues in development economics, in addition to providing an integrated framework for the country case studies. Written by experts, this handbook will be invaluable to academics and students of economics and emerging economies, as well as to business people and researchers seeking information on economic development and the accelerating pace of globalization.
