La sombra de la noche (All Souls Trilogy) (Spanish Edition) Deborah Harkness

Book Two of the All Souls Trilogy plunges Diana and Matthew into Elizabethan London, a world of spies and subterfuge, and a coterie of Matthew's old friends, the mysterious School of Night. The mission is to locate a witch to tutor Diana and to find traces of Ashmole 782, but as the net of Matthew's past tightens around them they embark on a very different journey, one that takes them into heart of the 1,500 year old vampire's shadowed history and secrets. For Matthew Clairmont, time travel is no simple matter; nor is Diana's search for the key to understanding her legacy. Shadow of Night brings us a rich and splendid tapestry of alchemy, magic, and history, taking us through the loop of time to deliver a deepening love story, a tale of blood, passion, and the knotted strands of the past.
