## The Homebrewer's Companion Charlie Papazian

More great advice from Charlie Papazian, homebrew master and author of the bestselling *The Complete Joy of Homebrewing*.

"Many ask me, 'What's different about *The Homebrewer's Companion*?' It's a book that I might have titled *The Complete Joy of Homebrewing, Volume 2*. The information is 98 percent new information, including improved procedures for beginning and malt-extract brewers as well as advanced and veteran brewers. There are loads of new recipes and useful charts and data that I continually refer to in my own homebrew recipe formulation (I still homebrew about 20 batches a year). My theme throughout is 'Keep it practical. Keep it useful.' I wanted to answer 10 years' worth of questions in this one volume. I did ... and I had fun doing it."
