Lucy Silchester keeps receiving this strange appointment card and sweeping its gold embossed envelope under the rug. Literally. She busies herself with a job she doesn't like, helping out friends, fixing her car, feeding her cat, and devoting her time to her family's dramas. But Lucy is about to find out that this is one appointment she can't miss, when Life shows up at her door, in the form of a sloppy but determined man.

Life follows her everywhere – from the office, to the bar, and to her bedroom – and Lucy learns that some of the choices she has made and the stories she has told aren't what they seem. Now her half-truths are about to be revealed, unless Lucy tells the truth about what really matters to her.

*The Time of My Life* is another warm, thought-provoking novel from Cecelia Ahern, internationally bestselling author of *P.S. I Love You*.
