50 Shades of Grey Poupon

The long awaited book of the 21st century is finally here. This book is guaranteed to change your life forever. Get it while it is still only selling for \$0.99 because it will definitely be going up in price very soon. Hi I am Dr. Damien and my credentials speak for themselves. I am a board certified Psychosexual Therapist out of the Whiskoky tribe in the great State of Nevada. I like to consider myself a Therapist of the people who gives a damn, and goes that extra little step in order to make my clients comfortable enough around me that they are not afraid to really open up, and tell me exactly what it is that is bothering them sexually without having to feel any kind of guilt or shame as if they were speaking to a friend or relative about their sexual issues. I have dealt with hundreds of clients over my time as a Psychosexual Therapist And I have heard and seen most everything that is imaginable. I have been given written permission from some of my clients to document some of our conversations, whether they be face to face, or via email, or telephone conversations. My clients want to help others as well. They are excited to see some of our conversations in print and hope that possibly someone can benefit from some of the advice that I have given them should they have a similar story to tell.

Before we go any further I must remind you all that this book is for adults only. There are some pretty graphic topics that my clients and I discuss and all those who read this should be over the age of 18.

So enjoy 50 Shades of Grey Poupon and remember one thing. I am a Doctor. And my credentials speak for themselves. Do not attempt to try this stuff out at home. Leave it for the professionals. Dr. Damien
