Miles Standish: Captain of the Pilgrims (Classic Reprint) John S. C. Abbott

Excerpt from Miles Standish: Captain of the Pilgrims

The adventures of our Pilgrim Fathers must ever be a theme of absorbing interest to all their descendants. Their persecutions In England, their flight to Holland, their passage across the stormy ocean, this new world, as they found it, swept by the storms of approaching winter, their struggles with the hardships of the wilderness, and conflicts with the ferocious savage, - all combine in forming a narrative replete with the elements of entertainment and instruction.

Fortunately, there can be no doubt in reference to the essential facts. All these events have occurred within the last three hundred years, a period fully covered by authentic historical documents. In giving occasional extracts from these documents, I have deemed it expedient to modernize the spelling, and occasionally to exchange an unintelligible, obsolete word for one now in use.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
