María Soledad Tapia

Misal para Mariana (OT editores) (Spanish Edition) María Soledad Tapia

María Soledad Tapia es Bióloga con Master y Doctorado en Ciencia de los Alimentos. Al jubilarse de la Universidad Central de Venezuela decide contar la historia familiar a Mariana del Pilar, su sobrina, a sus otros sobrinos y a sus hijos lejanos, jóvenes venezolanos expatriados, como una forma de resguardar la memoria, preservarla del olvido, combatir el desarraigo y el miedo a la “distancia de la distancia” que sienten tantos padres venezolanos. Misal para Mariana es su primer libro no científico. Es una historia que abarca varias generaciones de familias venezolanas. Toca temas como el amor, la muerte, la amistad, los sueños, la lealtad y hasta los fantasmas. Refleja la vida de un país, Venezuela, especialmente de una provincia, el estado Barinas, a través de la parentela de Mariana, su tía, padres, abuelos, y mucha progenie hacia atrás. Como dice Elisa Arráiz Lucca, “está contada con especial cuidado, logrando un equilibrio entre momentos importantes de la historia patria y el encanto de lo cotidiano”. Es un libro de singular significado para los venezolanos por el momento histórico actual puesto que nos recuerda una nación de oportunidades, producto de luchas políticas y sociales, pero sobre todo, del tesón y la superación personal en un país forjado por provincianos.
