Return to the Beach House: A Beach House Novel Georgia Bockoven

Over the course of one year, in a charming cottage by the sea, eight people will discover love and remembrance, reconciliation and reunion, beginnings and endings in this unforgettable sequel to Georgia Bockoven's *The Beach House* and *Another Summer*.

Alison arrives at the beach house in June to spend a month with her restless grandson before he leaves for his freshman year in college. Over a decade before, Alison lost her beloved husband, and has faced life alone ever since. Now she discovers a new life, and possible new love.

August brings together four college friends facing a milestone. Across summer's final days, they share laughter, tears, and love—revealing long-held secrets and creating new and even more powerful bonds.

World-class wildlife photographer, Matthew, and award-winning war photographer, Lindsey, arrive at the beach house in January, each harboring the very real fear that it will mark the end of their decade-long love affair. Alone in the house's warm peace, they will be forced to truly look at who they are and what they want, discovering surprising truths that will change their lives forever.
