Grace Holbrook believed she couldn't have children, but now she was pregnant after just one night with sexy, bad boy Ford McCabe. She was delighted by the news, but not so thrilled when Ford insists they get married, especially when his recent return to Whitaker Falls after eleven years away is shrouded in secrets.

Ford has always wanted Grace. Even back when he was the town rebel and should have known better -- until he was blamed for the death of her brother and was shunned by the community. Now a millionaire businessman, he's back to claim what is rightfully his . . . including Grace and the baby they'd created together.

DEAR READER,

THE MILLIONAIRE'S PROPOSAL was originally written as a Harlequin Romance in 1998 (as The Baby Surprise), and is much sweeter and more traditional in tone than my current books. I'm thrilled to have the rights back to this book that has been out of print for years, and I'm equally thrilled to share some of my earlier novels with my readers.

This book was originally written at a time when millionaires, cowboys, babies and brides were a very popular theme in romance novels. I've made a few changes to update certain aspects of the story, but the classic tone remains the same.

I hope you enjoy Grace and Ford's story!

Happy Reading,
Janelle Denison
