Business Statistics J K SHARMA

This book builds upon the easy-to-understand, problem-solving approach that was the hallmark of the previous editions. Through detailed discussions on procedures that facilitate interpretation of data, this book enables the readers to make more considered and informed business decisions.

Using tools of application and practice in a variety of solved examples and practice problems, this book will sharpen the students' understanding of basic statistical techniques. Business Statistics, 4e serves as a core textbook for students of management, commerce and computer science, studying business statistics for degrees in BBA/MBA/PGDBM, BCom/MCom, CA/ICWA and BE/BTech/MCA, as well as for those preparing for professional and competitive examinations.
