James Franco: Dangerous Book Four Boys James Franco

Considered one of the finest actors of his generation, James Franco is also a multitalented writer and visual artist. Drawing from his experience in film and television work, Franco has produced a visually exciting and thought-provoking body of video works, multimedia installations, and large-scale sculptures.

Drawn from the exhibition curated by Alanna Heiss and organized by the Clocktower Gallery, *James Franco: The Dangerous Book Four Boys* explores themes of childhood and nostalgia, games and destruction. Each experimental film, suite of drawings, and raw, childlike construction is presented as a window into the artist's mind. This dense and often diaristic survey reflects Franco's interest in the contemporary American landscape of adolescence and young adulthood.
