Jesus endured the cross in anticipation of the joy set before him: victory over Satan, sin, and death, and union with his glorified redeemed. Now he calls us to follow him with crosses of our own. What does this mean?

Each of the twelve lessons in this volume explores one aspect of Jesus' cross through Bible study, application questions, commentary, testimonies, and hymns. Our familiarity with the crucifixion narrative can cause us to miss its deep teaching. Learn what the cross shows us about our Savior and the paradoxes of Christian living, and discover the hope and joy it gives us as we face life's struggles and uncertainties.

A devotional commentary ideal for small group discussion and study.
