Kill or Capture: How a Special Operations Task Force Took Down a Notorious al Qaeda Terrorist

Matthew Alexander

The electrifying true story of the pursuit for the man behind al Qaeda's suicide bombing campaign in Iraq

Kill or Capture is a true-life thriller that tells the story of senior military interrogator Matthew Alexander's adrenaline-filled, "outside the wire" pursuit of a notorious Syrian mass murderer named Zafar—the leader of al Qaeda in northern Iraq—a killer with the blood of thousands of innocents on his hands.

In a breathless thirty-day period, Alexander and a small Special Operations task force brave the hazards of the Iraqi insurgency to conduct dangerous kill-or-capture missions and hunt down a murderer. *Kill or Capture* immerses readers in the dangerous world of battlefield interrogations as the author and his team climb the ladder of al Qaeda leadership in a series of raids, braving roadside bombs, near death by electrocution and circles within circles of lies.
