Normative Pluralism and International Law: Exploring Global Governance (ASIL Studies in International Legal Theory)

Normative Pluralism and International Law: Exploring Global Governance (ASIL Studies in International Legal Theory)

This book addresses conflicts involving different normative orders: What happens when international law prohibits behavior, but the same behavior is nonetheless morally justified or warranted? Can the actor concerned ignore international law under appeal to morality? Can soldiers escape legal liability by pointing to honor? Can accountants do so under reference to professional standards? How, in other words, does law relate to other normative orders? The assumption behind this book is that law no longer automatically claims supremacy, but that actors can pick and choose which code to follow. The novelty resides not so much in identifying conflicts, but in exploring if, when, and how different orders can be used intentionally. In doing so, the book covers conflicts between legal orders and conflicts involving law and honor, self-regulation, lex mercatoria, local social practices, bureaucracy, religion, professional standards, and morality.

Let's try to choose appropriate ways for you.

Elizabeth Schwartz:

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their interest. They just do what the educator want, like asked to go to the library. They

go to presently there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Normative Pluralism and International Law: Exploring Global Governance (ASIL Studies in International Legal Theory) can make you sense more interested to read.
