NOTICE: THIS IS NOT THE IMPROVED INDEX LINKED SPECIAL VERSION, otherwise available.

The Table of Content is linked, but not the verse numbering system.

ONE is the unified gospel of Jesus. The text of the four Gospels of Matthew, Mark, Luke and John have been authoritatively combined into one seamless text. The author used recently available computer technologies to authoritatively document the unification process. ONE is easy to read, as well as an authoritative reference.

ONE is different from other works. ONE is different than "parallels of the Gospels" because it is one integrated text and timeline, it is also a rare find in that it parallels and integrates the Synoptic Gospels with the non-synoptic Gospel of John. ONE is different than "harmonies of the Gospels" because it is an authoritative integration. ONE is a parallel of the Gospels within a harmony of the Gospels. The ONE "Unification Index" provides a post-unification numbering system with 3,000 entries that allows the reader to source text in ONE back to the Gospels.
