The Beginnings of New England: Or, the Puritan Theocracy in its Relations to Civil and Religious Liberty, Standard Library Edition (Historical Writings of John Fiske, Vol. 6) John Fiske

In this sketch of the circumstances which attended the settlement of New England, I have purposely omitted many details which in a formal history of that period would need to be included. It has been my aim to give the outline of such a narrative as to indicate the principles at work in the history of New England down to the Revolution of 1689. Contents: The Roman Idea and the English Idea, The Puritan Exodus, The Planting of New England, The New England Confederacy, King Philip's War, The Tyranny of Andros, Bibliographical Note, Index.
