Half a decade later, things have come full circle. PR is now finding its credibility in the intensive care unit. Stefan Engeseth gives the PR business the same treatment. The Fall of PR & the Rise of Advertising, with a foreword by Al Ries, analyses the enormous changes in the media landscape in PR, advertising and everything in between. Stefan Engeseth's books, Detective Marketing and ONE, have firmly established him as one of today's most refreshing business thinkers. In his latest book, The Fall of PR & the Rise of Advertising, he shows how advertising has redefined itself and re-emerged as a force to be reckoned with. Written in his trade mark, funny, original and provocative style, the book adds whole new dimensions to the business world.
